## HEALTH WATCH

**Nits Nits Nits Nits Nits Nits Nits**  
 Sadly many kids returned from the holiday period with NITS. They are now rampant around the whole school. Without consistent treatment every 6-7 days and daily checking of your child's hair this will continue. Parents need to be vigilant and treat their child's hair as soon as eggs or live ones are discovered. It is not fair on other parents that do. Lets say NO to NITS!!

## BOT VOTING PAPERS

**SNOW SQUAD 2016 – PARENT HELPERS WANTED** We are wanting to hear from any parents who are able to help out with Snow Squad this year. Before we get child numbers wanting to participate we need to know how many children we can take. Those parents that are interested in helping out must have a 4x4 car, be able to drive the kids up the mountain every Wednesday and spend the day on skis or a snowboard. If you have never skied or snowboarded you will be able to learn with the kids. Parents must be able to commit to every Wednesday and if you are unable to do this you must be able to have a back up driver to call upon. **Those that volunteer will receive a free lift pass and equipment hire!! Without your support we will not be able to participate in this great sport that is right on our doorstep!! If you have any questions please ring Zoe Rossall (Tahoe's Mum) 386 5582 or 021 0604422.
