**Staffing:**

Whaea Lena, Bronwyn Hunt, Belinda Pyman and Shirley Bailey will be supervising students overnight.

As with any Education Outside the Classroom opportunity, this event contains risks, including a student becoming ill, a student being injured, an earthquake etc. This event is managed by school staff who will manage risk and hazards according to the school's safety management plan. This includes careful monitoring and supervision of all students at all times. While risks can be maintained to acceptable levels they cannot be totally eliminated. Some risk is retained for its learning and experiential value. If you wish to come into school to see our safety management systems or have any questions, feel free to contact Shirley Bailey or Bronwyn Hunt.

It is important for safety reasons that students follow instructions given to them by all staff and follow all appropriate school rules. Behaviour by students that is deemed dangerous and puts themselves and/or others at undue risk will result in parents being contacted and asked to come and collect their child.

Please feel free to contact me at school with any queries - 07 386 5801.

Yours faithfully

Bronwyn Hunt

# EOTC Parental Consent

Kapa Haka Sleepover - Monday 4th September, 2023

## Parental Consent

- I agree to my child taking part in the EOTC event and have received sufficient information on which to base a decision.
- I agree to their participation in the activities described. I acknowledge the need for them to behave responsibly.
- I have updated (where necessary) my child's health information held by the school.

## Acknowledgement of Risk

- I have read the EOTC event information and I understand that there are risks associated with involvement in school EOTC events and that these risks cannot be completely eliminated.
- I understand that the school will identify any reasonable foreseeable risks and hazards, and implement correct management procedures to eliminate or minimise these.
- I understand my child has been involved in the development of safety procedures and I will do my best to ensure that my child follow these procedures.
- I know that I am able to ask any questions of the school about the activities my child will be involved in, to gain a better understanding of the risks involved.
- I recognise that participation in such activities is voluntary and not mandatory through a 'challenge by choice' procedure. My child and I both understand that they may withdraw from an activity if they feel at risk. This must be done in consultation with the person in charge.
- I understand that the school does not accept responsibility for loss or damage to personal property (either my child's property or damage to other's property caused by my child) and that it is my responsibility to check my own insurance policy.
